~~Lowly Worm 1/1/2/2/3~~

Ectchully, if a fighter on the go round immediately afore this monkey's turn uses a special power (memory +tm), the monkey may use (one only) it on his turn.

Monkey see/do as an action, copy 1 fighter ability. ends when that or it dies or ability used again.

If wrench hits may choose to re-roll ~~hit defense~~ location + 1 adjacent die.

If peel hits legs, disarmed and no block'd.

If called shot on legs using peely tumble weapon and

if MN rolls a result using the Mask weapon, the target is reduced to lowest levels on all body parts.

If he blocks when using the shield weapon, he takes no damage.

You may change click to shield purposely (no roll) but still an action.

Versatile weapon:
A result with the

weapon causes instant unblockable death.

Blocking equipt w/the weapon take no damage ~~to next turn penalty~~

Still Spry: never affected by the block next turn penalty.

When hit by Peel, victim also disarmed.

When hit by wrench victim re-rolls one of their body pieces weapon.

If either leg segment is destroyed the martian can't ~~any result~~ hit with the remainder. ~~the legs hits the head is hitted.~~

The Martian can only be killed by destroying its head. ~~If the body or legs are destroyed, it is crippled~~

It has no body, only 2 legs segments.

Instead of Block, a Martian can (which it cannot do) attempt to Evade by rolling da strike die, On a Legs or blank result the attack misses. No next turn penalty. When a legs result is made, the ~~defender~~ Martian's owner decides the leg segment to be hit. If it's a called shot, the attacker chooses.

If an attacker misses a called shot to the head, the martian gets an immediate free attack on him.
